to be the state convention held at a governor? Judge Hawkins on Mr. Tilden's private estate. Nashville last week by the republi- the one side, an upright man,

The time has been, and that very recently, when the proceedings of a debt, and John Savage on the other, republican convention in Tennessee would attract but little attention in these columns. We knew that the it; we knew what would be the stereotyped topics of declamation with its orators and the stereotyped items of its platform; we knew that it would parade as the distinctive which funds were stolen by that at any time bring about, unless the bloody shirt would flap wildly and that the public debt question would be gingerly touched upon in party in Tennessee as it has done in order that republican worker- Virginia. In that state it has virmight be able to talk of the honor tually handed over the balance of and, to do the republicans justice. sound platform as regards the public B. This writer expresses his differno uncertain manifesto as regards the public debt. We had better at once give their utterance in full on this subject; all the rest is the wellknown commonplace of republican manifestos and may be left to answers which it is constantly receiving in all parts of the United States. Their declaration on the debt question alone concerns us:

Resolved, That the bonds of Tennessee heretofore deliberately recognized by both the republican and democratic parties as legally issued, are a valid indebtedness, binding in law and in morals apon the property and conscience of the state, and that any attempt to impair the obligations of that indebtedness, or to readjust, or scale

war of the rebellion, should be thankfully and unhesitatingly accepted, and the new contract fattafully and promptly complied with; and we denounce the refusal of the democratic party to accept the 60 and 6 proposition as the refusal of a liberal and voluntary reduction; and we recognize in said refusal overwhelming evidence that a large majority of the democratic party intends to repudiate the bonded debt of the slate, and thereby to subject our state to the oppropriation of all peoples who regard the contracts of a state with her creditors as of sacred inviolability.
